Important information about your insurance

The Federal Government has recently passed a package of legislation designed to improve outcomes for superannuation fund members. One of the measures in the “Protecting Your Super” package affects the insurance cover in your account, which means you should read this letter carefully and take the action which is right for you.

What are the changes?

From 1 July 2019, we cannot continue to provide insurance cover if your account is considered inactive. Your account is considered inactive if no contributions or rollovers have been received for a continuous period of 16 months.

What this means for you

If your account is considered inactive at 1 July 2019, under the Protecting Your Super legislation, we must cancel the insurance cover in your account unless you either

- Advise us in writing that you wish to maintain your insurance cover, or
- Make a contribution or rollover to your account.

Once your insurance is cancelled, it cannot be reinstated, nor will the Trustee of the TAL Superannuation and Insurance Fund accept new applications for cover. Details of your current insurance cover, including benefit amounts and premiums are available by logging into your account online at www.arcmt.com.au

Action is required

If you would like your insurance cover to continue even if your account becomes inactive, please complete and return the Insurance Election Form to us in the enclosed Reply Paid Envelope or email a scanned copy of this form to customerservice@tal.com.au. This must be received by us no later than Friday 21 June 2019. Alternatively, you can make a contribution or rollover to your account by the same date so your account is not considered inactive.

More information
